

# silen

## SPACE 6

Silent room for  
up to 12 people

\* furniture not included

## For thinking big

SPACE 6 comes with plenty of space for creative teams to embark on wild idea expeditions.

The modular structure means that you can quickly change your Space size when you need it. By adding modules you can upgrade your Space size for as many people as you like or you can easily get two or three separate Spaces by splitting the modules.

## Specification
